------------------------------------	---------

Think a century ahead. Each decanter is the life achievement of generations of cellar masters. Since its origins in 1874, each generation of cellar master selects the oldest and most precious eaux-de-vie for LOUIS XIII. Today, Cellar Master Baptiste Loiseau is setting aside our finest eaux-de-vie, as a legacy to his successors for the coming century. LOUIS XIII is a fragrance. The fragrance of time.

CLASSIC COUNTY
TIMELESS AND MEMORABLE... JUST LIKE AL.

Uncle Sam is letting everybody in on the ground floor of an opportunity to make a lot of money, more or less easily. All that is necessary to collect from \$5,000 to \$70,000 under Uncle Sam's newest plan for relieving unemployment and poverty, is to nab or cause the capture of one of the septet pictured above. Price tags placed on these outlaws under new law which permits Department of Justice to offer federal reward are indicated.
