BARTS

My dearest Shady Associates, Molls, Dolls & Grifters,

Welcome to my 'apartment', infamously known as London's Worst Kept Secret! Here, you're in safe hands. Free to kick back with a stiff glass o' giggle water and loosen your inhibitions, away from the prying eyes of the Prohibition out in the streets of the Big Smoke.

Now listen, you gotta use this top secret guidebook wisely, it contains all you need to know of the MOB bosses that ran the London scene, their patches, territories and their differing crimes. Despite their rivalry they all had one thing in common, they all enjoyed a drink with Uncle Barts, right here in my apartment. Under my roof there was no funny business & no judgement, a no-mans land for the biggest and baddest, if you will.

My shady associates have collated a list of concoctions containing the most sought-after ingredients, each drink inspired by the character and diversity of London's most renowned gangsters, the neighbourhoods and boroughs they ran - with each boss sparking an exquisite collection of flavours, with this guide, you're destined to find your perfect match.

Don't forget, our Master Mixologists possess an unrivalled knowledge of black market liquor, so don't be afraid to ask them a question!

But remember, after you leave, make sure you don't tell a soul...

ALICE DIAMONDS

THE FORTY ELEPHANTS

OTHERWISE KNOWN AS :

"The Queen of Thieves"

Ah, Alice Diamonds and her mob of classy crooks, The Forty Elephants, they were a clever bunch, they were. Ain't no store safe when those dames hit the streets. They'd glide through the luxury shops like ghosts, slipping trinkets and treasures into their dresses and petticoats faster than you can say "heist." Then, like clockwork, they'd waltz right into my apartment, cool as cucumbers, and order up a round of drinks like they owned the joint. And maybe, in a way, they did. 'Cause when Alice Diamonds and her crew walked in, you knew trouble wasn't far behind, but hey, trouble never looked so good.

ALICE DIAMONDS

Fruity / Sweet / Delicate

Now, Alice, as we know, she had a taste for the finer things, and she had a knack for picking drinks as refined as her own style, leaving behind a scent of sweetness wherever she went. Sure, her crimes weren't exactly delicate, but they sure made folks sit up and take notice in the underworld.

Yet, her choice in tipples? It spoke volumes about the dame.

WILLIAM "BILLY" KIMBER

THE BRUMMAGEN BOYS

NAME: William Kimber

YEAR OF BIRTH: 1882

BORN: Birmingham

HEIGHT: 5ft 8in

CRIME: Corruption

GANG: The Birmingham Boys

PATCH: ISLINGTON

RIVALS: Sabini Gang

ALLIANCES: Hoxton Gang

OTHERWISE KNOWN AS :

"The Bookmaker"

Billy Kimber was a regular in my joint, we'd sit at the bar, whiskey flowing like the Thames, swapping stories of the streets and the racetracks. he was the man with a taste for fine cigars and faster horses. Leading the Birmingham Boys wasn't just about shaking down the locals; it was about owning every inch of the turf, even if it was the one at Epsom Downs. They were his ticket to the high life, winning races and raking in the dough faster than you could say "bet the house." As for the racetracks, well, Sabini saw his opportunity and snatched them up quicker than you could blink. It's a dog-eat-dog world out there, and in the end, even the fastest horses can't outrun fate.

BILLY KIMBER

Sour / Refreshing / Citrusy

Billy Kimber, sharp as a tack and twice as cunning, had a hankering for cocktails that packed a punch, just like his schemes. Sour and citrusy concoctions were his poison, each sip a wake-up call for the senses. Billy knew how to pick 'em, matching his vibrant personality sip for sip, and when the Birmingham Boys clashed in the racetrack wars, Billy's zest for life matched every sip amidst the underworld chaos. Just like his drinks, he left a mark wherever he went, whether folks liked it or not.

CRIME: Corruption & Violence

GANG: Sabini Gang

PATCH: Clerkenwell

RIVALS: The Brummagen Boys

ALLIANCES: Italians and
Jewish bookmakers

OTHERWISE KNOWN AS :

"The Godfather of Little Italy"

Charles Sabini, with Italian roots as deep as the old oak, commanded the Sabini Gang like a modern-day Caesar. From the stables to the streets of London, his iron-fisted rule reigns supreme. With swagger that could charm the pants off a duchess, Sabini held court in my apartment, a true kingpin whose grit and street smarts leave no room for doubt. Cross him, and you'll find yourself sinking in the Thames quicker than you can say "bloody hell." Sabini's the top dog in the city, a force to be reckoned with, especially after he claimed the racecourses from Billy Kimber, solidifying his grip on the underworld and leaving Kimber's legacy in the dust.

CHARLES "DERBY" SABINI

Rich / Complex / Woody

With a taste as rich as his ambition, Sabini favoured cocktails as rich and bitter as his schemes and the woody depths of Sabini gang's territory. His preferred libations were a blend of complexity and strength, much like his grip on the racecourses he claimed as his own. Derby sought drinks that mirrored his dominance, leaving no doubt as to who ruled the turf...lets just say bitterness remained on the taste buds of those who dared to cross him.

BORN: Mile End

HEIGHT: 6ft 1in

CRIME: Racketeering

GANG: Multiple

PATCH: East End

RIVALS: Billy Hill

ALLIANCES: Billy Hill

OTHERWISE KNOWN AS :

"The Einstein of Crime"

Ah, Jack "Spot" Comer, a real piece of work, that one. He was like a shadow in the East End, lurkin' in every dark alley and smoky joint. They say he got that nickname from a scar on his cheek, a memento from a brawl that left its mark. Spot, he was a proper kingpin, dabbled in everything from protection rackets to running those underground drinking holes. Had the whole city in his pocket, he did. A real heavy hitter in London's underworld, just like we had 'em here in Chicago back in the day.

JACK "SPOT" COMER

Smoky / Spiced / Spicy

Jack 'Spot' Comer, with a palate as rugged as the East End streets he ruled, had a hankering for cocktails as smoky and spiced as his reputation. His preferred libations were a fiery blend of bold flavours, just like the spice of life in the underworld he navigated. Spot sought drinks that mirrored his gritty demeanour, leaving no doubt as to who held sway in the shadows of London's East End.
