BARTS

My dearest Shady Associates, Molls, Dolls & Grifters,

Welcome to my 'apartment', infamously known as London's Worst Kept Secret! Here, you're in safe hands. Free to kick back with a stiff glass o' giggle water and loosen your inhibitions, away from the prying eyes of the Prohibition out in the streets of the Big Smoke.

Now listen, you gotta use this guidebook wisely. Inside contains the most sought-after selection of bootlegged cocktails this side of the Thames. Each concoction is inspired by the character and diversity of London's most renowned suburbs, neighbourhoods and boroughs - with each region on the map sparking an exquisite collection of flavours.

Fruity or strong, dry or creamy, long or short, North or South, East or West - with this guide, you're destined to find your perfect match.

Don't forget, our Master Mixologists possess an unrivalled knowledge of black market liquor, so don't be afraid to ask them a question!

And remember, after you leave, make sure you don't tell a soul...
